ABOUT US

BODY WEAR MANUFACTURER (M) SDN. BHD. was officially established on 19th December 2003, under the Certificate of Incorporation No: 200301035129 (637550-A).

Based in Padang Serai, Kedah, we have grown to become one of Malaysia's leading suppliers of garments and uniforms for the industrial, government, semi-government, and private sectors.

Today, we are proud to operate from a 45,000 sq. ft. facility, supported by a team of 65 dedicated employees and 93 sub-contractors.

Our management places strong emphasis on cost awareness and control. We adopt a marketing approach that promotes team collaboration, positive thinking, creativity, and a proactive mindset. Above all, we focus on delivering value for money and value-added services—not just superficial cost-cutting.

From the beginning, our unwavering commitment has been to maintain customer satisfaction by consistently delivering high-quality, reliable products at competitive prices.

"Continuously strive for improvement and to satisfy the needs and expectations of our clients in a mutually profitable manner"

OUR VISION

To be the leading supplier of garments and uniforms for the industrial, government, semi-government, and private sectors — delivering quality, reliability, and value with every product.

OUR MISSION

To continuously strive for improvement while meeting and exceeding our clients' needs and expectations in a mutually profitable and sustainable manner.

OUR JOURNEY

We began its journey in a modest double-story house that served both as a store and office. At the time, a team of 30 dedicated staff worked closely with management to fulfill client orders and coordinate with suppliers. It took nearly six months of perseverance before the business found its footing — and before long, our brand began to make a name for itself in the industry.

Originally, our goal was to produce uniforms for industrial factories across Kedah, Penang, and parts of Perlis. Over time, we expanded and diversified our offerings, venturing into government and semi-government contracts. We also began supplying a wider range of reliable and in-demand products to meet evolving market needs.

In the next phase of our growth, we introduced industrial safety wear, including personal protective equipment (PPE) and anti-static apparel. These products are now widely used by clients in the high-tech electronics, medical, and food manufacturing sectors.

TRADITIONAL WEAR

Batik

Baju Kurung

Malaysian traditional wear is a great choice for corporate attire. It enhances your company's image while promoting unity and cultural harmony among team members.

TROUSERS

Short Pants

Long Trousers

Denim Jeans

Pants attire includes a variety of styles such as Track Pants, Cargo Pants, Trouser / Slack Pants, Maintenance Pants, and Denim Jeans—each designed to suit different functions, from sports and school wear to workwear and casual fashion.

JACKETS

Vest

Blazer

Denim

Varsity

Industry

Bomber

Hooded

Track

Windbreaker

Formal Jacket is for formal occasions, professional settings, ceremonies, and office wear. Suitable for business meetings, office wear, formal events and dinners, school ceremonies or uniforms and presentations or speeches.

An industry jacket is a durable, functional outerwear designed for tough work environments, offering protection, comfort, and performance.

Casual jackets are everyday wear that combine comfort, style, and practicality—made from easy-care materials like cotton, denim, polyester, or fleece.

RAINWEAR

Disposable Raincoats

Ponchos

Rain Suit

Shoe Covers

Umbrella

Our rainwear is made from high-quality, water-resistant industrial fabric with a strong finish and excellent shrink resistance—trusted by many clients.

CLEANROOM

Lab Coat

Smock

Coverall

Jumpsuit

Bunny Suit

Booties

Gloves

Lab coats, smocks, coveralls, and jumpsuits made from high-quality industrial fabric help protect against viruses, airborne bacteria, and harmful pollutants—ideal for lab, medical, and industrial use.

INDUSTRY UNIFORM

Industry jackets, jumpsuits, and safety vests are durable workwear designed for industrial, mechanical, construction, and technical environments—providing protection, functionality, and comfort in tough conditions.

MILITARY UNIFORM

We provide customised military uniforms made from high-quality materials, specially suited for the Malaysian climate.

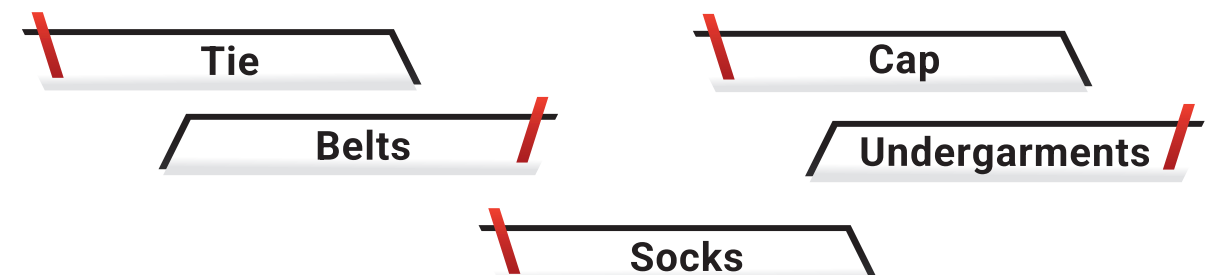

POLICE UNIFORM

We provide customised military and national service uniforms crafted from high-quality fabrics and materials, specifically designed to suit the Malaysian climate.

ACCESORIES

Accessories provide the perfect finishing touch to any outfit—or even a uniform. They play a key role in enhancing personal style while also contributing to brand identity and projecting a polished, professional image

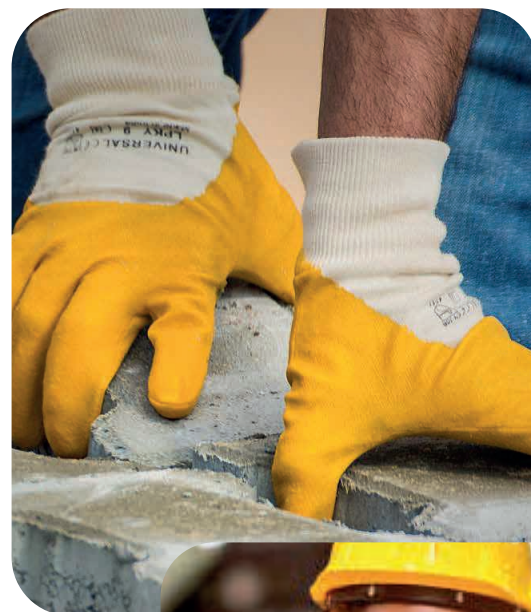

SAFETY WEAR

Gloves

Masks

Made from high-quality industrial fabric, these gloves and masks help protect the body from viruses, airborne bacteria, and other harmful pollutants

HOTEL & HOSPITAL ATTIRE

Our professional uniforms are made from comfortable, cooling materials, making them ideal for demanding roles in hotels, hospitals, and janitorial services where constant daily movement is essential.

Lab Coat

Patient Wear

Surgical Wear

Scrub Suit

Security

Hotel Custom Wear

Janitorial

KITCHEN ATTIRE

Chef Coat

Apron

Chef Hat / Cap

Pant

Our professional uniforms are made from comfortable, cooling fabric—ideal for fast-paced kitchen environments that require constant movement throughout the day.

SCHOOL UNIFORM

School uniforms serve as a symbol of unity and identity. We offer custom-made options tailored to clients' requirements—ranging from colours to personalised styles. Our product range includes co-curricular uniforms, primary and secondary uniforms, as well as school vests, belts, and ties.

Shirt
